#### PROJECT OVERVIEW

Come help us lift the spirits of Alaska women during the most challenging time of the year. Three Norton Sound tribal regions intersect in the Nome area: Y'upik, Siberian Y'upik, and Inupiaq. Team with us to encourage the women of this area as we host our annual women's conference. We need service-oriented women who are willing to serve in a variety of positions from meal preparation to making friends cross-culturally. We also need teams of women who can serve and minister to women in casual settings between seminars and activities. Our goal is to help women hear the voice of God and speak truth over lies they believe about themselves, God, and past abuses. God will change not only the lives of the women you are serving but your own life as well.
