**January 13 - 18, 2021**

**Early Bird Registration December 15, 2020**

**Regular Registration after December 15, 2020**

## PROJECT OVERVIEW

Come help us lift the spirits of Alaskans during the most challenging time of their year. Three tribal regions intersect in the Nome area: Y'upik, Siberian Y'upik, and Inupiaq. Team with us to encourage heart transformation for the men and women of this area as we host our annual conference. We need service-oriented people who are willing to serve in a variety of positions from meal preparation to crafting, all while making friends cross-culturally. We also need teams of people who can serve and minister in casual settings between seminars and activities. Our goal is to help attendees hear the voice of God and speak truth over lies they believe about themselves, God, and past abuses. God will change not only the lives of the conference attendees you are serving but your life as well.

### Who can participate?

Participants are men and women college age and older, who come as individuals or with a group (maximum group size 25). You must be culturally sensitive and able to honor a people and place which may be very different from your home culture. Team members participate in a pre-trip Skype orientation session that will introduce you to our ministry strategy and walk you through the Freedom in Christ program.
